

Tourism Industry Is Thriving in Top Oil & Gas Producing States

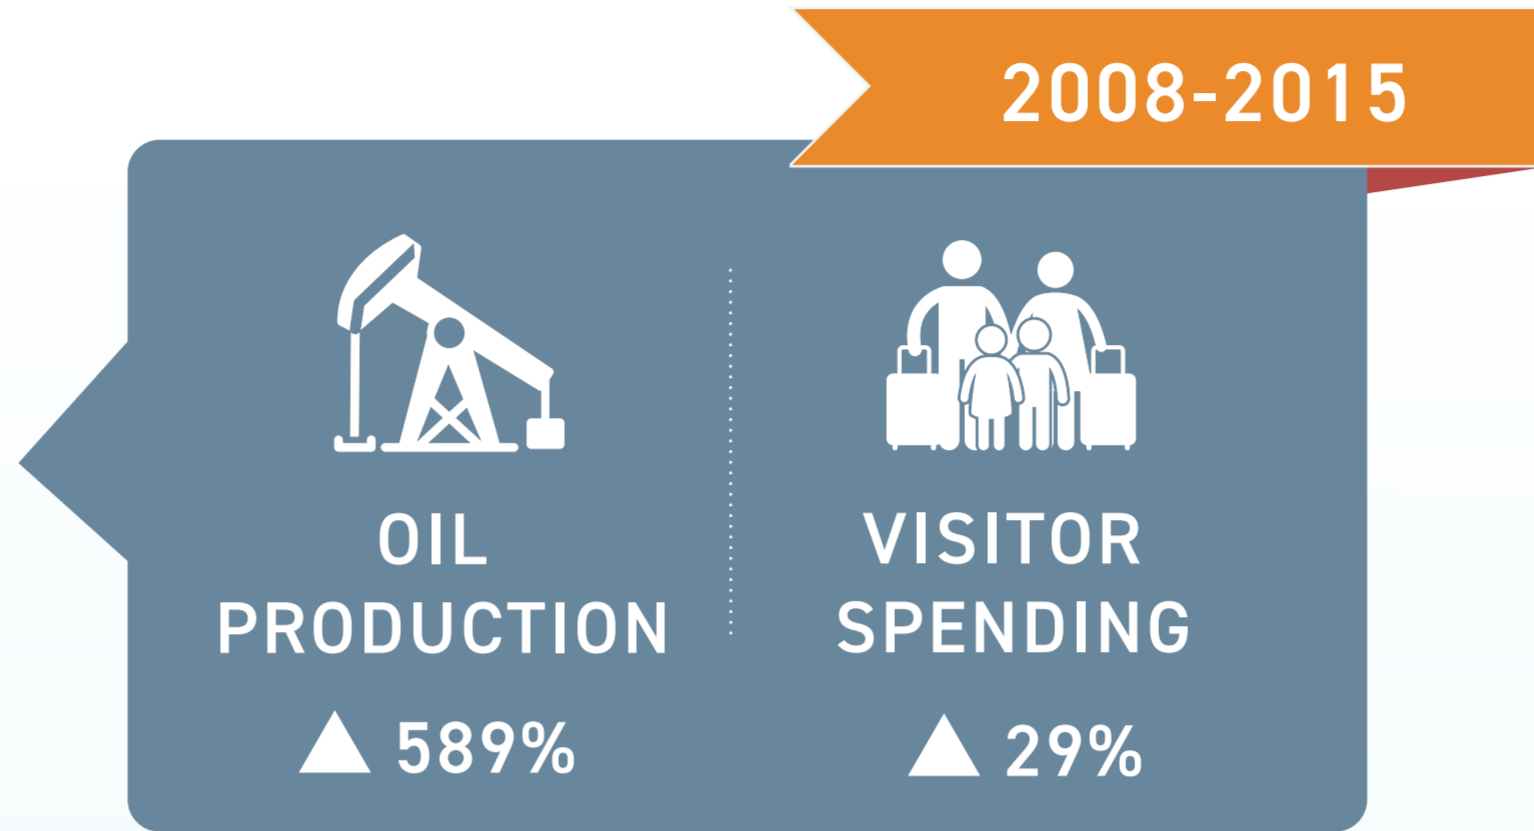

CALIFORNIA

America's #1 tourist state also happens to be one of the country's top oil producers.

Combined the two industries employ around 2 million Californians.

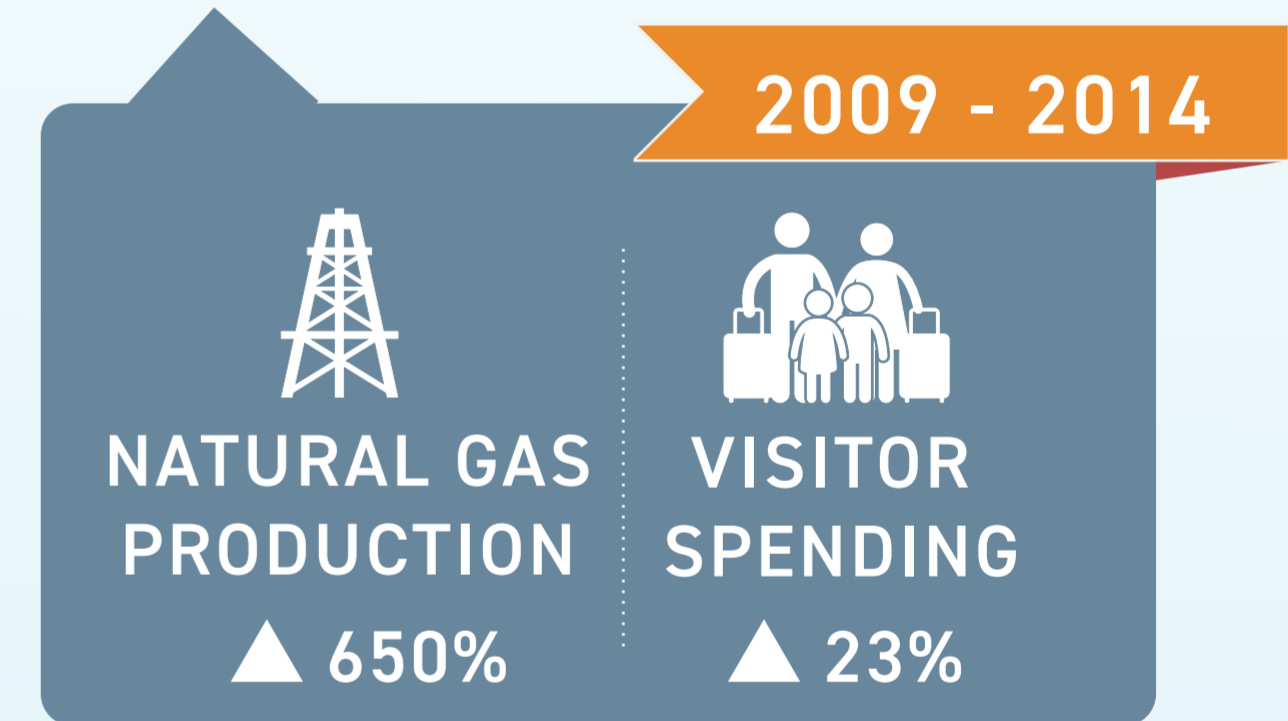

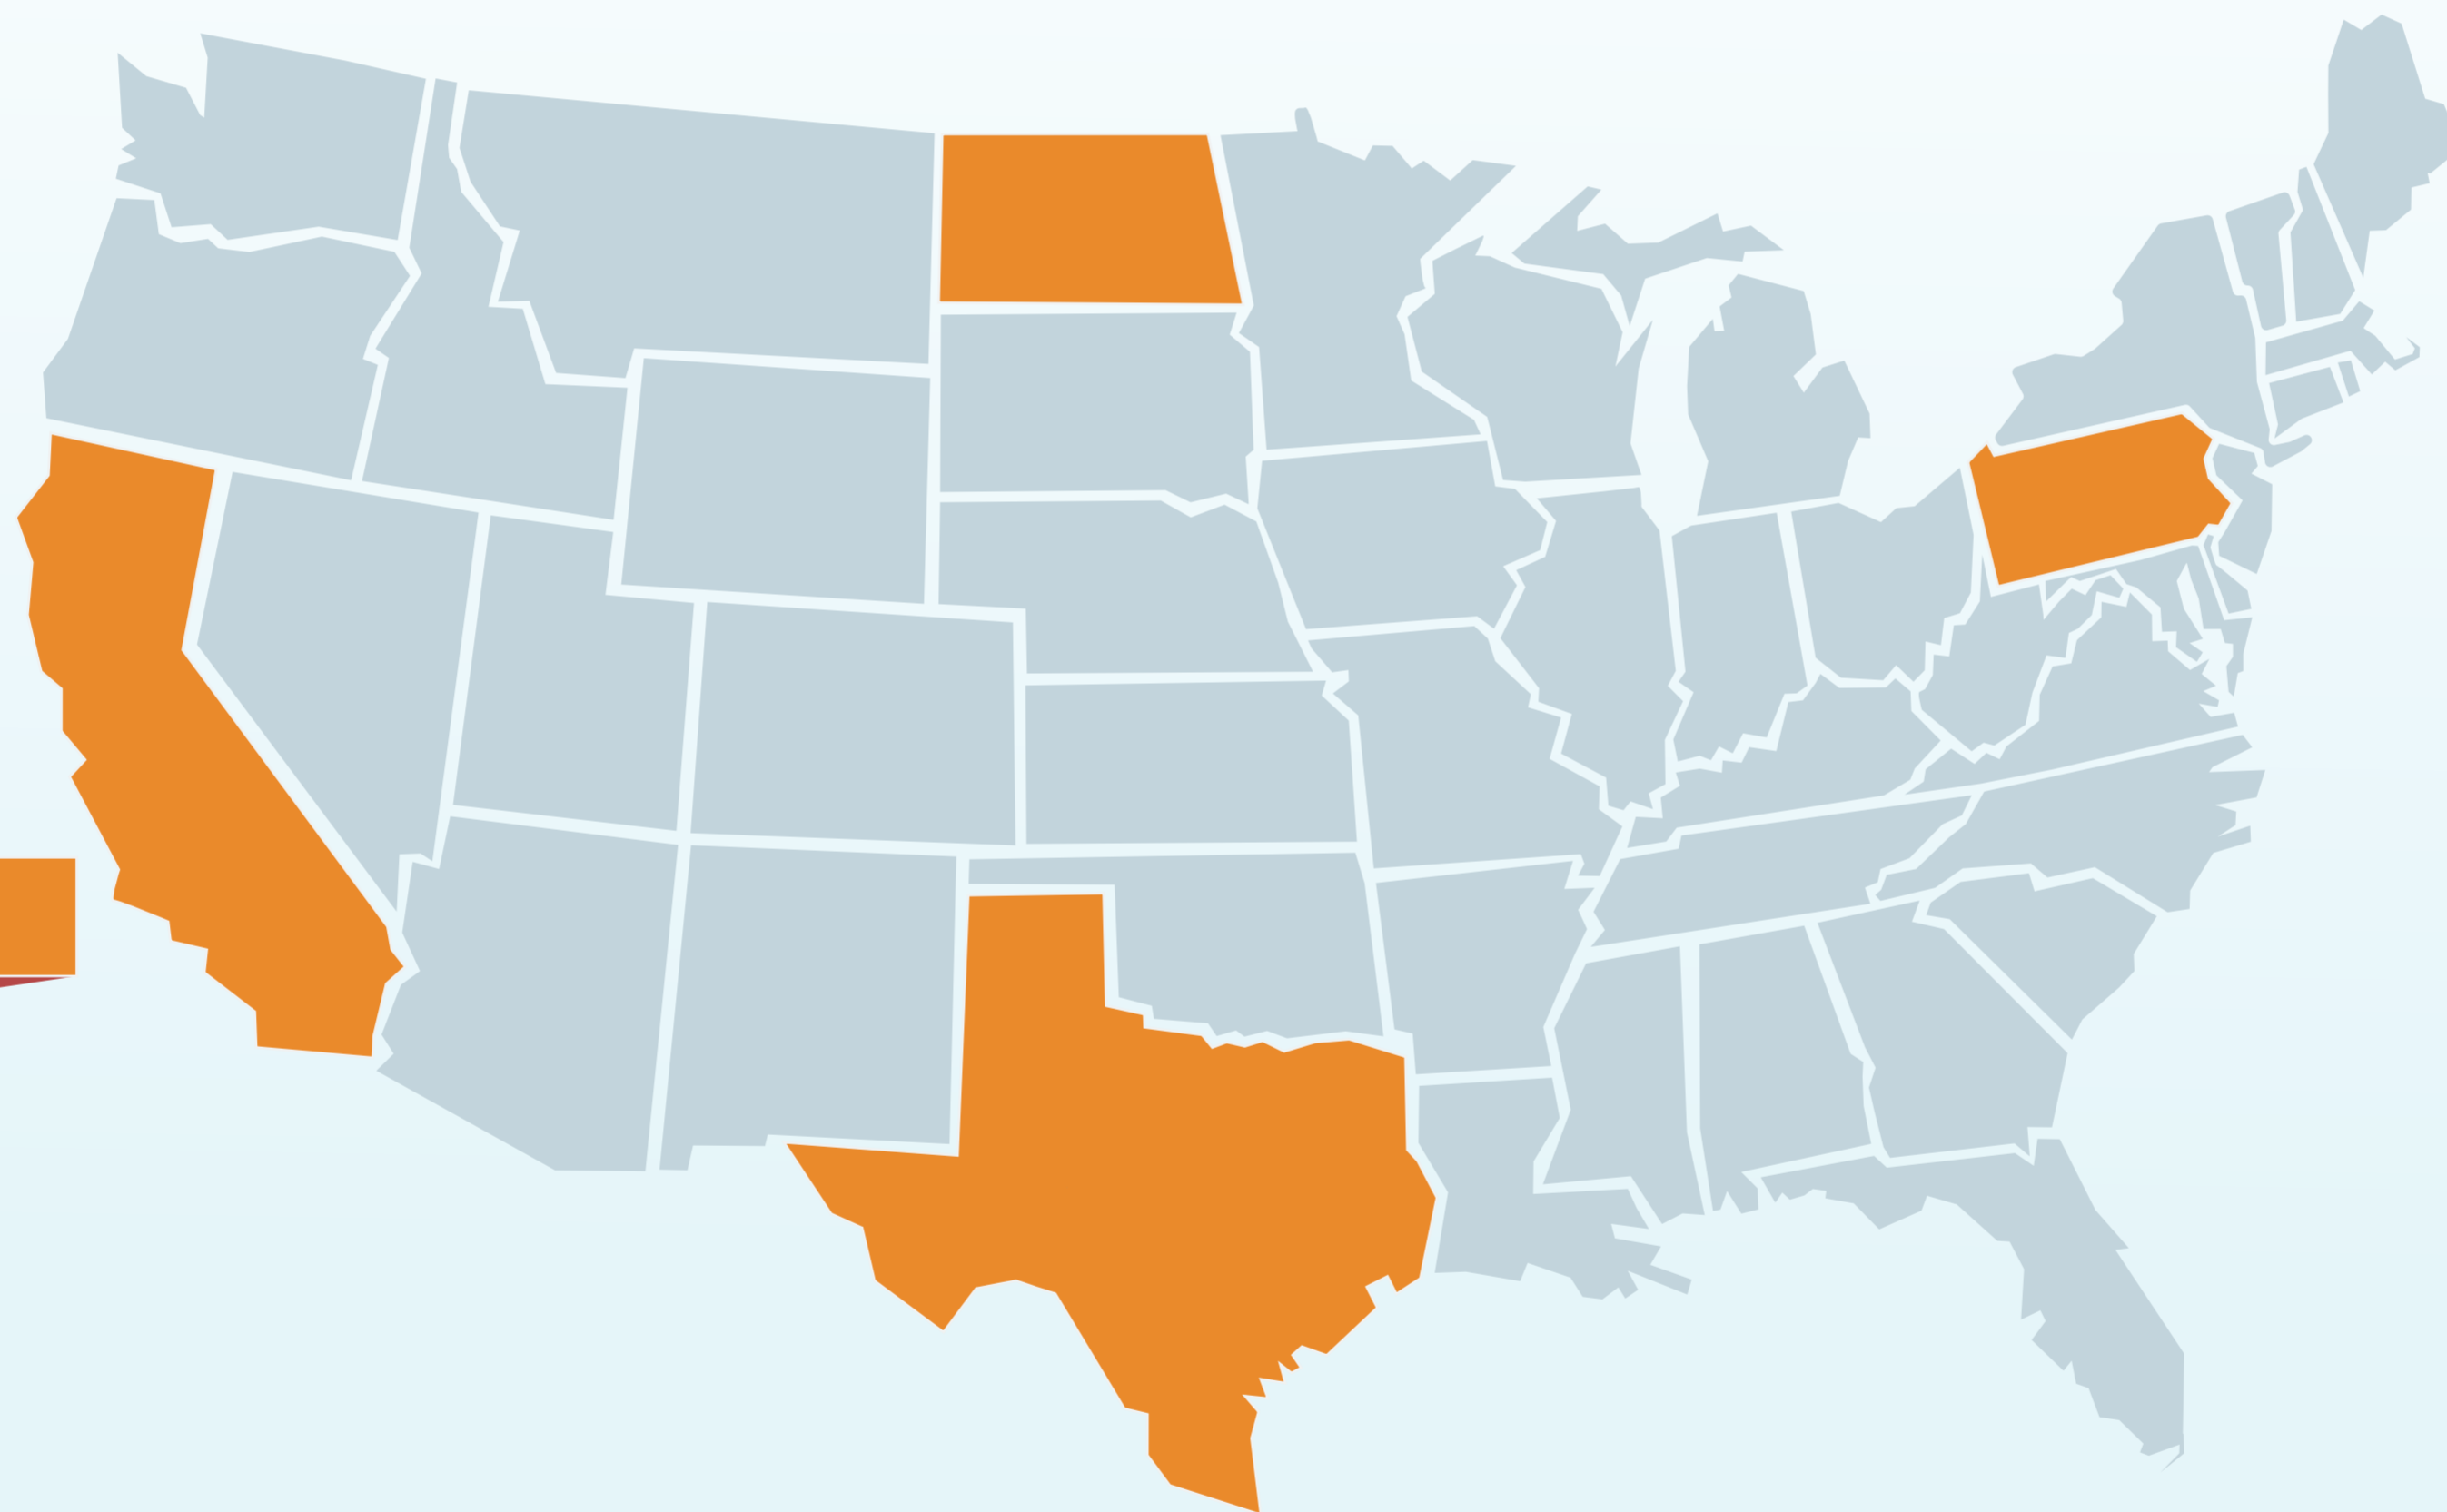

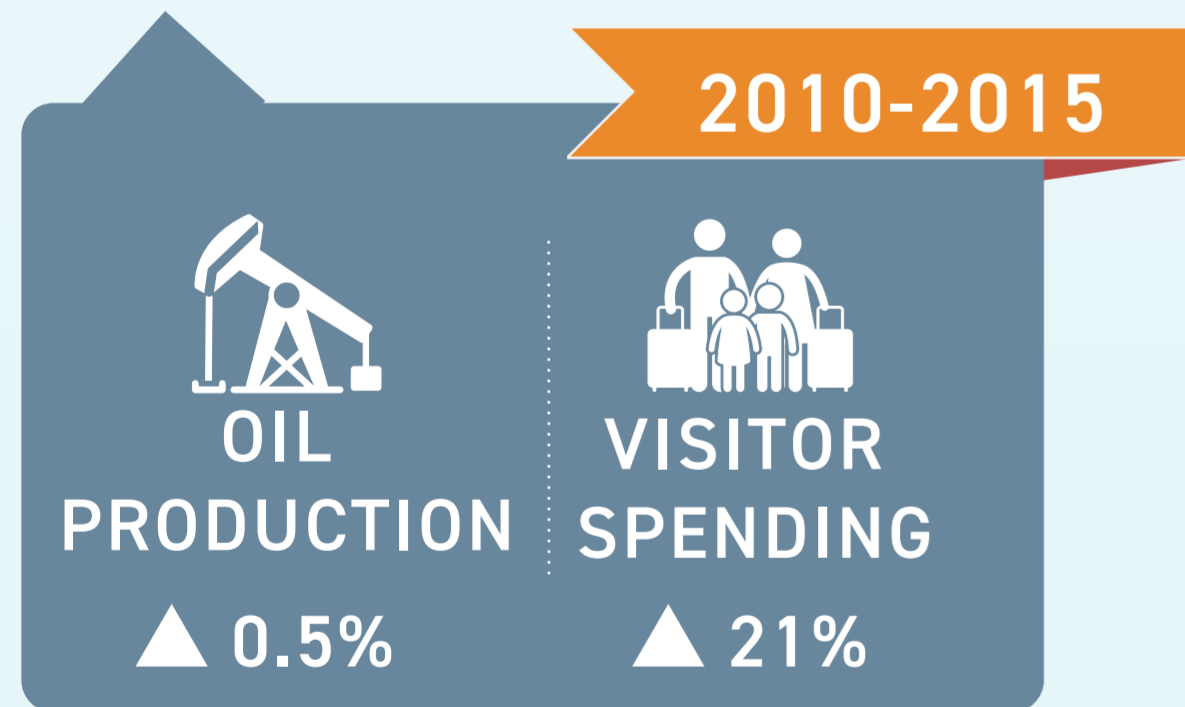

NORTH DAKOTA

Oil tops the charts in North Dakota, but the state also led the U.S. in tourism growth in 2013.

PENNSYLVANIA

Marcellus-rich counties in Southwestern Pennsylvania had the 2nd largest increase in traveler spending from 2013-2014, and the Northern Tier was #2 in money spent on transportation in 2014.

TEXAS

Texas' tourism industry contributed over \$32 billion to the state's GDP in 2015 – 2nd only to the oil and gas industry
